HEAD QUARTERS, DEPARTMENT OF THE MISSISSIPPI,

Camp Pittsburg Landing, Tennessee, May 4, 1862.

GENERAL ORDERS, }
No. 24. }

I.....At the General Court Martial, which convened at Crump's Landing, Tennessee, pursuant to General Orders, No. 29, of March 29, 1862, from the Head Quarters, Third Division, Army of the Tennessee, and of which Colonel CHARLES WHITTLESEY, 20th Ohio Volunteers, is President, was arraigned and tried:

Major John McDonald, 8th Missouri Volunteers.

CHARGE 1st:

"Conduct unbefitting an officer and a gentleman."

SPECIFICATION 1st: "In this, that on the 25th March, 1862, Major John McDonald, 8th Missouri Volunteers, did use toward James Peckham, Lieutenant Colonel, commanding the regiment, grossly insulting, obscene and abusive language, by calling the said Lieutenant Colonel James Peckham 'a son of a b——,' in full view of the entire regiment, and to the detriment of the public service."

SPECIFICATION 2d: "In this, that on the 25th March, 1862, the said Major John McDonald, 8th Missouri Volunteers, did, in full view of the entire regiment, characterize the said Lieutenant Colonel James Peckham as 'no gentleman, and no white man,' because he, the said Lieutenant Colonel James Peckham, had consented to be recommissioned to a position which he had vacated by his resignation in February, 1862."

SPECIFICATION 3d: "In this, that on the 25th March, 1862, the said Major John McDonald, 8th Missouri Volunteers, did, in a violent manner, and with obscene and filthy language, in full view of the entire regiment, dare his superior officer, Lieutenant Colonel James Peckham, to meet him without shoulder straps, publicly asserting his ability and his desire to whip the said Lieutenant Colonel James Peckham, in a fist fight. All this, in the field, at Crump's Landing, Tennessee river, on the morning of March 25, 1862."

CHARGE 2d:

"Disobedience of orders."

SPECIFICATION: "In this, that the said Major McDonald, 8th Missouri Volunteers, did refuse to acknowledge the authority of his superior officer, when ordered to deliver up his sword, and report himself under arrest, saying to his superior officer, Lieutenant Colonel James Peckham, the following words: '* * * *', you can't have my sword, nor any son of a b—h; and further, that when 1st Lieutenant J. W. Barr, 8th Missouri Volunteers, and acting Adjutant of the same regiment, by order of the Lieut. Col. commanding thereof, did formally demand of the said Major McDonald his sword, the said Major McDonald did refuse to comply, saying: '* * * *', I have a leave of absence for thirty days. All this, in the field, at Crump's Landing, Tennessee, river, on the morning of March 25, 1862."

CHARGE 3d:

"Conduct prejudicial to good order and military discipline."

SPECIFICATION: "In this, that Major John McDonald, 8th Missouri Volunteers, in full view of the entire regiment, did use insulting, abusive, and filthy language to his superior officer, and did publicly refuse to obey the order of his superior officer. All this, in the field, at Crump's Landing, Tennessee river, March 25, 1862."

To which charges and specifications the accused pleaded *"Not Guilty."*

FINDING AND SENTENCE:

The Court finds the accused as follows:

Of the 1st specification, 1st charge, *"Guilty,"* except the words *"Lieutenant Colonel, commanding the regiment: the word 'Lieutenant Colonel,' and the word 'entire.'"*

Of the 2d specification, 1st charge, *"Not Guilty."*

Of the 3d specification, 1st charge, *"Guilty,"* except the words *"and with obscene and filthy language,"* the word *"entire,"* the words *"dare his superior officer, Lieut. Col. James Peckham, to meet him without shoulder-straps,"* and the last three letters of the word *"asserting."*

Of the 1st charge, *"Guilty."*

Of the specification 2d charge, *"Not Guilty."*

Of the 2d charge, *"Not Guilty."*

Of the specification 3d charge, *"Guilty,"* except the words *"full," "entire," "to his superior officer, and did publicly refuse to obey his superior officer."*

Of the 3d charge, *"Guilty."*

And does therefore sentence him, Major John McDonald, 8th Missouri Volunteers, *"to be dismissed the service."*

HEAD QUARTERS, 3D DIVISION, ARMY OF THE TENNESSEE.

Finding and sentence approved.

BY ORDER OF MAJOR GEN. LEWIS WALLACE:

FRED. KNEFLER,

Assistant Adjutant General.

Finding and sentence confirmed. The Court having unanimously recommended the accused to the clemency of the General commanding the Department, the sentence is remitted. Major John McDonald will be released from arrest and resume his sword.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty. &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Saint Louis. Mo. May 31st 1862.

Col.

As I am an officer of the 8th Reg^t of Missouri Volunteers. I therefore have some knowledge in regards to the statement of William L. McSpadden. who has made application for pay as Captain of a Company in the 8th Regiment of Missouri Volunteers. for the period set forth in his (the said McSpadden's) affidavit. Agreeable to your request. I will give you a written statement of the case. or what I know of it. which I think you will find in the main. Correct. I may however fail to give you the particulars as minutely as you would wish them. -

Some time during the month of August 1861. Major General John C. Fremont then in Command of the "Department of the West." issued an order for two Companies of "Sharp Shooters" to be raised. to be attached to the 8th Regiment of Missouri Volunteers. in accordance with said order he (the said Maj. Genl Fremont) gave a leave of absence to first Lieutenants Edmund R. Otis (of Co. B.) and Hugh Neil (of Co. G.) for thirty days for the purpose of raising the aforesaid two Companies of "Sharp Shooters." Lieutenants Otis and Neil left the Regiment for said purpose. Lieut. Neil raised his Company in the time specified and it was duly mustered in the service and attached to the Regiment as Co. "L." Hugh Neil as Captain. Lieut. Otis however was not so fortunate in raising his Company. and had his leave of absence extended. Some time (I think) in the Month of October 1861. Lieut. Otis. Came back to the Regiment.

bringing about Seventy-five men as a nucleus for the other Company or Co "M." of the "Sharpshooters." the man William L. McSpadden came in Command of the Seventy-five men as the Captain of them. together with Stephen B. Sheldon as first Lieutenant, and John W. Robinson as Second Lieutenant, about that time Maj. Gen. Fremont was being removed from his Command and an order was issued (I think from the War Department) doing away with "attached Companies" and allowing each Regiment only the Maximum number of men as prescribed by Law. In consequence of which the aforesaid men and officers were not mustered in as a Company. Under the circumstances (as I understood it), it was mutually agreed that the men should be distributed in the Regiment to fill up the Companies (that were not already full) to the Maximum number as prescribed by Law. the men going in the different Companies as recruits. And to remunerate the aforesaid William L. McSpadden, Stephen B. Sheldon and John W. Robinson for their trouble (I think) Colonel Morgan L. Smith promised to obtain Commissions for them in the Regiment whenever vacancies should occur. As a number of the men had joined Company "H" William L. McSpadden acted as first Lieutenant of that Company. I think up to the time of the Battle of Fort Donelson, during the Engagement at Fort Donelson, the Captain of Co. "H" (George B. Swarthout) was killed, and as the Company requested Wm L. McSpadden took Command of it during the balance of the Engagement, by order of Col. Morgan L. Smith. the Command of McSpadden however was of short duration. as the evening soon

thereafter surrendered. and the Regiment marched back to Fort Sherman. (opposite to Fort Henry. Tenn) where we had previously been stationed.

I presume the Command of the Company was only given to M^c Spadden for the time being under the circumstances as the men in the Company after having lost their Captain all seemed to have confidence in his (M^c Spadden's) ability to lead them through the remaining part of the "Action". As I understand William L. M^c Spadden now holds a commission as first Lieutenant in the 8th Regiment of Mo. Volunteers.

I have in the foregoing statement. Col. given you everything of note that I can (at present) think of. appertaining to the Case. And it is also given to the best of my knowledge and belief. I at the same time acknowledging that I may possibly be liable to error. but if so it will be found but slight. with regards Col. I am

Yours Obt Serv^t

To Major Gen. G. M. Dodge Commanding
Department of Missouri.

Your Petitioner Amos H. Horner
 On oath represents unto the Commanding Gen-
 eral That being a resident of Ayr County Illinois
 about the 1st day of September A.D. 1861 he had before
 then declined to enter the U. S. Military Service in
 consequence of a serious permanent lameness in
 his left leg and ankle caused by having the bones of
 both the ankle and leg badly broken and crushed
 when his left hip was knocked, some years ago and
 up, that they never were nor could be replaced and
 the leg and ankle healed so as to be sound and answer
 for the purpose of travelling and walking upon them
 and when they were partially only, restored this leg
 was one inch shorter than putters right
 leg. That at Yates City said County at said
 time the U. S. Recruiting Officer at that point
 refused to your Petitioner that he was
 raising a company of Sharpshooters to
 be called Company A. to be attached to the
 8th Mo. Regiment of Inf. Ft. Val. W. S. Morgan and
 that notwithstanding said lameness your Petitioner
 would be able to serve in said Company
 of Sharpshooters that in such capacity there
 would not be required so much more time and
 travelling on foot, and that if he were called en-
 list in said Company, so as sharp shooter
 he should be required to serve in no other
 capacity. That said recruiting Officer was fully
 informed of the nature and extent of said lameness

permanent lameness before his enlistment.
That on the foregoing representations being made
to him by said recruiting Officer to induce him
to enlist in said Company of Sharpshooters
said petitioner behaving then true and not
suspecting to the contrary was thereby in-
duced ^{to} enlist in said Company. As a
Sharp Shooter and faithfully served in said
Company & until the same was disbanded.
That petitioner found himself wholly unable
to perform service in the said Company by rea-
son of his leg becoming lamed by a single
day's marching upon it. That the flesh of
said ankle and leg became inflamed and
dark colored on purple when under the mark
upon it, and it became painful and lame
and he thereby wholly disqualified for march-
ing. That even after the breaking and crushing
of said leg and ankle petitioner had always
been wholly disabled from travelling or march-
ing on foot except a short distance or time
at a time by reason of the inflammation and
soreness caused by such use of said leg and
ankle. And so leg and ankle became dark or
purple colored on the surface by reason
of such use. That petitioner is afflicted in
every manner, and said lameness is
great as to wholly unfit him from doing
any the blow on foot. Whereby he was compelled
to have constructed for him on all occasions

so that he could ride on said wheels whenever
they followed the plow. That on the 25th
of February 1869 at Ladocahyga the 1st
Company had been placed under the
advice of Officer Captain. That
of the then late Company of Soldiers
of said regiment and returned home
to his family where he remained until
his present arrival. That said officer
informed him that he would be
hurt if he left and that he was to be
in view all the circumstances in having
that he is wholly unfit for the service
that he faithfully fulfilled on his part
the contract of enlistment and left
without knowing on his part that
he had been transferred to Company
of said Regiment. That he has been
retained as a Detachment Company
that there is much Company
existing now as there at the time
of his having as appeared. That
he has been informed that the
Military Record of the government
shows that he was transferred to Com-
pany before he left and that he had
not been properly informed as to
his present command. That he is
that he is ~~is~~ provided with a wife and son
and that he is wholly dependent
on his income for his support.

and no other means for his life or health
for he most earnestly and respectfully
asks that if deemed necessary by a
Physician may be ordered to examine
his leg and ankle and report upon
the same and that he may be dis-
charged from the Jail and from
imprisonment without delay. He having
already laid in prison since the
19th day of October 1864. —

one of his legs which they believe is his left leg has been
so seriously injured and broken both in the ankle

and lame—that one of his legs was rendered and
is shorter by one inch than the other—that when
ever he travels to any considerable extent or a few
day in succession he is so severely lame as to be
unfit wholly for traveling—that tramping on said
leg by reason of the derangement of the bones causes
the flesh contiguous to such deranged bones to become
sore and dark colored or purple—that he was unable
to follow the plow by reason of said diseased leg
in farming and in consequence thereof was compelled
to have his plow attached to wheels so as to enable
him to ride instead of walking while engaged
in plowing—that from the knowledge of Affiant per-
sonally of the condition of his said leg as he believes
he is wholly unfit for doing Military Service as a
private in the infantry—that on the sixth
day of February he left the army and returned

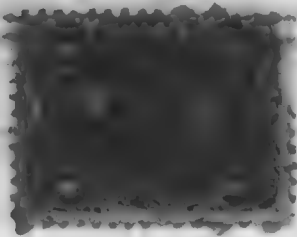

to the vicinity of Yates City - Where he has remained
a considerable portion of the time without ever
concealing his plan or the fact of his having
left the army and remained all of said time with
his family. That on his return home from the
army he gave always when asked as to
the reason that he enlisted in Co D of Sharp
shooters in which capacity it was reported by
the recruiting officer that he might be able to
serve in the army notwithstanding his deficient
leg - that upon Company D being dissolved he found
himself wholly unable to travel on foot in consequence
of his lameness and so left the army under advice
of some of the officers in said Company D and
affiant believes said statement to be true

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other persons having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 1.

NOTE 2.

When a probable cause for pension, special care must be taken to describe the degree of disability—as *is, &c.*; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, opthalmia, ulcers, or any obscure disease liable to be feigned or falsely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other commanding officer, and forwarded to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel to his division commander; or if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statement in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

from the Chief Minister of Missouri.

Dr. John Miller

War Department,
Adjutant General's Office.

Washington, July 7th, 1865.

Sir:

In reply to your letter requesting a Descriptive List of John Miller a Private in Company "C" 8th Regiment Me. Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office; which, from the want of the necessary data, (which is in the possession of the Company Commander,) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

John Miller a Private in Company "C" 8th Regiment of Me. Volunteers, is _____ years of age; but no further "description" can be obtained from the files of this Office. He was enrolled on the 6th day of Feb. 1862 at the town of Paducah in the State of Ky. by Capt. Swartz, and mustered into the service of the United States on the 6th day of Feb. 1862, at the town of Paducah in the State of Ky. by Capt. Smith to serve for the period of three years or "during the war."

ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the months of March & April 1865 that he was last paid by Paymaster Capt. Phelps to the 31st day of Oct. 1863.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing; it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

(In the above Muster Roll (latest on file) reported a Private "Previous of War service Nov. 4/64")

Very respectfully,

Your obedient servant.

Chas. F. Beck

Assistant Adjutant General.

To B. J. C. Bayneville
Capt. U. S. A.
Benton Barracks, Mo.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statements, should be endorsed with a statement to that effect by this officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that this list is incomplete or "partial."

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as $\frac{1}{2}$, $\frac{3}{4}$, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as $\frac{1}{2}$, $\frac{3}{4}$, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1266 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C. they will not under any circumstances be given into the hands of the soldier.

Maj D. T. Kirby
Comd'g 8th Mo Bobs

I respectfully ask leave of absence
for twenty days to go beyond the limits of the department.
My reason for making the request is that
the wound received by me at Arkansas Post and which I
thought to be entirely healed, has since my return again broken
out and baffles all care that I can bestow on it. It is necessary
that I should have a change of air to effect a cure, as per
accompanying Surgeons Certificate.

I Remain Sir

Very Respectfully

Inftry. having applied for a certificate on which
to ground an application for a leave of absence,
I do hereby certify that I have carefully exam-
ined this Officer, and find that he is still suf-
fering from the effects of a Gun shot wound in
the lower jaw, received at the battle of Shavano's
Post Jan 11th 1863. and not yet healed, and that
in consequence thereof, he is in my opinion, un-
fit for duty. I further declare my belief that he
will not be able to resume his duties in a less
period than twenty days, & in consequence of the
improper treatment of his wound, its constant
discharge, & the disease of the surrounding tissues,
his health may be imperilled by remaining here
subject to the depressing influences of this climate.
I therefore recommend a change to a more northern
climate

General Schofield

Sir. The Bearer respectfully represents that her Son - a boy 17 years of age, enlisted some time last June in the 8th Mo. V. On her application, one of the Regimental Officers, considering the boys youth, permitted him to leave the Command. After which he engaged as a Cabin Boy on the Steamboat Imperial then in the Government Service; while this boat was at Pittsburgh Landing, the boy was arrested as a deserter by order (as she is informed) of one of the Com. Officers of the Company in which the Boy enlisted, and is now at McRee's College under arrest as a deserter. She prays most respectfully that you order his release, and remove the affliction which his incarceration has brought upon her. he is her only son and the only support she has, if released he will resume his occupation on the Imperial, his salary is the only means by which she is pecuniarily sustained, and without it she will have to resort to the Charity of others. If he could not be sent to Pittsburgh Landing, she may procure him a situation in one of the Military Hospitals of this City. The Boy's name is Daniel Murphy.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

FINAL STATEMENT

OF

Garret B. Murphy
8th Reg't of Missouri Inf.

VOLUNTEERS.

Died Feb. 1865

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier must be entered on the muster roll on which the discharge is reported, as well as on the final statement, and cannot be collected from the United States.

NOTE 7.—This blank will be used by Volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment roll must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Captain.

Sir,

I left my command near Beaufort S.C. without
Authority and after an absence of two months and some odd days I returned
voluntarily rejoining my command April 2nd. My reasons for absenting myself
were as follows.

I received word that Gen. Price in his last raid through Missouri
captured my father, and carried him a prisoner into Arkansas. And the rest of
my family were driven from home and were in a suffering condition amongst
strangers. I made application through my company commander for a leave of
absence, but was informed it could not be granted. I dreaded the name of deserter,
but nature was the strongest and I went to the assistance of my family. I am now
in my fourth year of service, during which time the present is the first and only
charge against me. Hoping you will consider my case at your leisure.
I subscribe myself

yours Respectfully

Sir

I received an appointment as 1st Lieut of Co. F. 8th Mo. Inf. Vols. (to rank from March 1st 1863) which office was made vacant on the 1st March aforesaid, by the Dismissal from the service of 1st Lieut Elias S. Bedford.

On the 16th day of July following, I received from the Governor of the State of Missouri, a commission as Captain of said Company & Regt. ~~in error~~, as there was no such vacancy in the Company. It therefore became necessary to return the aforesaid commission for correction, to the Adj. Gen.'s Office State of Missouri. On yesterday Sept 4th I received the commission corrected to that of 1st Lieut as originally designed. In consequence of such delay, I was necessarily compelled to be mustered Aug. 31st 1863. as 2nd Lieut of Company F. aforesaid. 1st Sergeant William H. Bogart of the same Company, also received on the 16th day July last, a commission as 2nd Lieut. to fill the vacancy occasioned by my promotion. In justice to Sergeant William H. Bogart I now respectfully ask authority to be mustered to date back to the 16th July 1863. The day upon which my commission was received.

Very Respectfully Your Obedt. Servt.
